**For Immediate Release**

## **AEM Appoints Chief Financial Officer**

**With decades of international finance experience, Ms. Leong Sook Han is expected to strengthen AEM’s financial management and reporting capabilities as AEM grows and transforms towards a global leader in providing advanced test solutions**

**Singapore, 9 June 2020** – AEM Holdings Ltd (“**AEM**” or “**the Group**”), a global leader offering application specific-intelligent system test and handling solutions for semiconductor and electronics companies serving advanced computing, 5G, and AI markets, announced the appointment of its chief financial officer (“**CFO**”), Ms. Leong Sook Han with effect from 15 June 2020.

Ms. Leong has over 20 years of experience in financial management across electronics, engineering, technology and other sectors, responsible for financial planning and reporting, fund raising, corporate strategy, treasury, merger and acquisition, auditing and control in senior management positions. Prior to joining AEM, Ms. Leong held positions of Group CFO at Hong Leong Asia Limited and Rotary Engineering Limited (both listed on SGX; Rotary was later de-listed). She has also worked for 10 years at Royal Phillips N.V. across multiple divisions and markets, including headquarter assignment in the Netherlands, Head of Corporate Finance in an independent joint venture business, Head of Treasury of Phillips China and Head of Finance in a business division headquartered in Hong Kong.

Ms. Leong graduated from National University of Singapore with a Bachelor of Accountancy and completed her Master’s degree in Applied Finance from Macquarie University. She is a non-practising member of the Institute of Singapore Certified Accountants.

Loke Wai San, Executive Chairman of AEM, commented, “We are pleased to have Sook Han as the most recent addition to AEM’s senior management team. Sook Han brings with her decades of financial management experience in senior positions in MNCs and Listed Companies and has profound knowledge and extensive experience in the electronics sector, cross-border treasury management, M&A and capital market transactions. This vast and diversified knowledge and experience will be invaluable and much required for AEM’s financial management to strengthen in a global capacity as AEM grows and transforms itself towards a global leader in providing advanced test solutions.”
