"Maximum Limit" means that number of issued Shares representing ten per centum (10%) of the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) of the Company as at the date of the passing of this Ordinary Resolution; and

"Maximum Price", in relation to a Share to be purchased or acquired, means the purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) which shall not exceed:

(See Explanatory Note (iii))

11. To transact any other business which may be properly transacted at an AGM.

Explanatory Notes:

- (i) The proposed Ordinary Resolution 6 above, if passed, will facilitate the Company in making payment of Directors' fees during the financial year in which the fees are incurred, that is, during the financial year ending 31 December 2022 ("FY2022") (\$648,000 for the previous financial year). The Directors' fees for the non-executive Directors are calculated based on, among other things, the number of expected Board and Committee meetings for FY2022 and the number of Directors expected to hold office during the course of that year. In the event that the amount proposed is insufficient, approval will be sought at the next AGM for payments to meet the shortfall.

The remuneration framework for Directors' fees for FY2022 remains unchanged from that for FY2021 except that with effect from 1 January 2022, the Chairman of the Board will receive an all-in Chairman's fee of S\$343,000, which explains the slight increase in Directors' fees.

In arriving at the proposed fee of S\$343,000 for the Chairman, the Board (at the recommendation of the Remuneration Committee, with the Chairman abstaining from the Board's deliberations), took into account (inter alia) the greater commitment required of the Chairman in spending time outside regular Board and Board Committee meetings to guide and provide oversight to the Company and its Management, the increased amount of time the Chairman spends on the Company's matters, including input and guidance on strategic issues as well as supporting Management in maintaining communications with stakeholders, the familiarity which the Chairman has with Management and their work and development and the Directors' fee structure in comparable listed companies in Singapore that have chairmen with similar roles and responsibilities. With the introduction of the new all-in Chairman's fee, the Chairman will not receive the Directors' basic yearly retainer fee, nor any further fees or allowances for serving as a chairman or member of any Board Committees.

In determining the amount of the all-in Chairman's fee, the Remuneration Committee made reference to benchmark ratios of all-in Chairman's fees relative to the average non-executive Directors' fees of relevant listed companies in Singapore which had similar active Chairman commitments, as provided by the external consultant, Willis Towers Watson.

The aggregate fees paid to the Directors for FY2021 was S\$624,000. Additional information on the Directors' fees can be found under 'Corporate Governance' in the Company's Annual Report 2021.

Shareholders' approval is required for the Directors' fees pursuant to the Companies Act and the Constitution of the Company.

- (ii) The proposed Ordinary Resolution 8 above, if passed, will (unless varied or revoked by the Company in general meeting) empower the Directors of the Company, effective until the conclusion of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held, whichever is the earlier, to issue shares, make or grant instruments convertible into shares and to issue shares pursuant to such instruments, up to a number not exceeding, in total, fifty per centum (50%) of the total number of issued shares (excluding treasury shares and subsidiary holdings, if any) in the capital of the Company, of which up to ten per centum (10%) may be issued other than on a pro rata basis to shareholders.

For determining the aggregate number of shares that may be issued, the total number of issued shares (excluding treasury shares and subsidiary holdings, if any) will be calculated based on the total number of issued shares (excluding treasury shares and subsidiary holdings, if any) in the capital of the Company at the time this Ordinary Resolution is passed after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this Ordinary Resolution is passed and any subsequent bonus issue, consolidation or subdivision of shares.

- (iii) The proposed Ordinary Resolution 9 above, if passed, will, unless varied or revoked by the Company in general meeting, empower the Directors of the Company from the date of the AGM until the conclusion of the next AGM of the Company, or the date by which the next AGM is required by law to be held, whichever is the earlier, to make on-market and off-market purchases or acquisitions of ordinary shares of the Company up to 10% of the total number of issued shares (excluding treasury shares and subsidiary holdings, if any) in the capital of the Company as at the date of this Ordinary Resolution at a Maximum Price (as defined in Ordinary Resolution 9 above). Detailed information on the Share Purchase Mandate (as defined in Resolution 9 above) is set out in the Letter to Shareholders dated 12 April 2022.
